

Free Store Policies

- **Sign in** on the sheet near the Free Store doors. This helps us get a count of how many people use and benefit from this resource.
- No need to check out with a staff member.
- **We cannot “hold” items** for you, everything is on a first-come-first-serve basis.
- We **cannot** help you **move or transport items**, please make your own arrangements for moving items.
- Items are **not tested** for functionality before being placed in the store.
- We recommend that you **wash items before use**, we cannot guarantee that items have been cleaned before they are donated.
- Finally, please **re-hang/re-fold** clothing after looking through it.

If you have any questions, please feel free to ask an ASCP staff member!
