

This month we had:

401,328 lbs of total waste
287,420 lbs were landfilled
86,740 lbs were recycled
25,172 lbs were composted

Compost Output

The ASCP is now collecting and processing campus' compost on site! The project encompasses expanding compost receptacles, mandating certified compostable to-go ware for food vendors, implementing rigorous compost sorting procedures, utilizing a state-of-the-art BioCoTech in-vessel composter for processing, and returning the nutrient-rich compost to nourish campus trees and plants.

Did you know...

This month the ASCP hosted Auraria Hunger and Homelessness Awareness month. We gave away 267 bags of groceries, 25 free haircuts, and collected 500 lbs. of donated clothing!

Environmental Impacts

We avoided **51.4 metric tons of GHG** through our waste diversion efforts.

Or the equivalent to:

6.7 homes' yearly energy use

131,555 miles driven by passenger vehicles

60.1 acres of forest sequestering carbon
