

RIDING GUIDELINES

- Be safe** — Wear a helmet and use bike lights
- Be aware** — Keep an eye out for dismount zones
- Be courteous** — Pedestrians always have the right of way

Biking is a sustainable transportation option for quick trips to, from, and around campus and the nearby downtown area.

- Free to park
- Environmentally friendly
- Great exercise
- Choice parking at over 1,600 slots at campus bike racks
- Less time spent in traffic

WHY BIKE?

BIKING

on the Auraria Campus

BIKE REPAIRS

Don't stress if your bike has a flat or needs repairs while you're on campus. The **Auraria Campus Fix-It Stations** offer cyclists a bike stand, wrenches, screwdrivers, tire levers, and tire pumps for DIY bike repair and maintenance. The Fix-It Stations are conveniently located next to the Curtis Street bike lane near the Arts Building and on first floor of the Tivoli Garage near the secure bike area.

- Lock your bicycle with a high-quality u-shaped lock (do not use cables or chains).
- Record your bicycle serial number and register it with Auraria Campus Police Department to help aid in its recovery in the event it is stolen. **Register online:** www.ahec.edu/bike-registration
- Use the secure covered bike parking area in the Tivoli Garage.
- Only park at designated bicycle racks.
- Do not leave your bicycle on campus overnight.
- Always lock your bicycle through the front wheel and bike frame to the bicycle rack.
- Report any suspicious bike activity to the Auraria Campus Police Department at 303-556-5000 or text-a-tip to 720-593-TIPS (8477).

SECURING YOUR BIKE

Bicycle theft is a problem in most urban areas and on college campuses. The Auraria Campus is no exception. Be proactive about securing your bike.

OUTDOOR ADVENTURE

Located in PE 002 below the PE Building's fitness center, the Outdoor Adventure Center offers bike tune-up clinics and other events for students. Information: msudenver.edu/campusrec/outdoorpursuits

RTD BIKE-N-RIDE

If riding your bike from home is too far to be feasible, make use of your **RTD CollegePass**, which is covered by student fees. Just ride to the bus stop or light rail station, load your bike, and hop on board. Information: www.rtd-denver.com/bike

SECURE COVERED BIKE PARKING

The secure covered bicycle parking area on the first floor of the Tivoli Garage is a protected, dry, and safe bike parking location available to all Auraria Campus community members. Information on how to gain access: www.ahec.edu/secure-bike-parking

B-CYCLE

B-Cycle is an automated **bike sharing system**. Just swipe your card, grab a bike, and get to where you're going. All B-cycles have three speeds, adjustable seats, a basket, lock, bell and pedal powered lights. You must purchase an Access Pass to check out a B-cycle. Access Passes can be purchased by the day, trip, month or year. For more information go to www.denverbcycle.com or download the B-Cycle App (available for iOS and Android).

- Annual memberships start at \$95/year
- **Locations:**
 1. Campus Village (318 Walnut St)
 2. 9th and Curtis (899 Curtis Street)
 3. CU Denver Building (1350 Larimer St)
 4. Pepsi Center (1000 Chopper Circle)
